### EDUCATION

**Durham College**  
Interactive Media Design  
2022-2023

### OBJECTIVE

As an Interactive Media Design student, I am looking for a field placement or full time job to gain practical experience and bolster my knowledge in HTML, CSS, Javascript and Motion Graphics. My drive and ambition has led to me consistently excelling in my courses and I am eager to apply my abilities in a professional environment. I am confident that the skills I have acquired, combined with the knowledge I will gain through my placement, will allow me to be a valuable asset within the team.

### PROFILE

A graduating student of Interactive Media Design at Durham College with strong understanding and experience in Adobe Creative Suite, includes After Effects, Premiere Pro, Illustrator, Photoshop, XD and Audition. Well versed in HTML and CSS with working knowledge in Javascript including GSAP.

An advanced understanding of motion graphics and kinetic type and how it can be used for promotional and advertising purposes.

Basic understanding of User Experience principles to capture user's attention.
